成功在于行动!

辉煌企业充分融合了人才、科技、资源等要素，凝聚团队之合力，以产业链为基础，以市场为导向，以提供优质产品和创造客户价值为己任，实现了企业的快速发展。

在新的发展时期，我们更以战略的眼光，创新的思维，以成就国际一流的优质板材企业，创国际一流品牌为宗旨，不断追求卓越，努力打造一个现代化、智能化、国际化的优秀企业。

刚正科技，辉煌彩钢以“古有秦砖汉瓦，今有辉煌彩钢”为使命，以海纳百川之胸怀，愿与您携手并进，共创辉煌。

Success depends on actions!

Nantong glory absorbs talents richly in the steel industry and integrates technology and operating Resources to lever up the capability . it is undoubtedly to build up leading enterprise to actualize the rocket growth, by a unified market- oriented tram. We make ourselves accountable to promote quality product, and refine the values to customers, nevertheless we are still improving. The im portance of keeping encourages and persistence against this competitive environment has been highlighted. In the coming developing platform, the leaderships would continue to broaden strategy plan and strengthen innovation mindset. Therefore our visions are being approached-be top steel company with world class branding; be always excellent. Of course you would Afterwards recognize us informationalized, modernized and internationalized.

With the mission of making "Glory" color steel plate as famous as the bricks of the Qin dynasty and the tiles of the Han dynasty, Gangzheng Steel Sheet Science and Technology Co., Ltd. and Nantong Glory Color Steel Plate Co., Ltd., welcome you to join us in creating glory.

简介 Introduction

辉煌事业 刚正人生

成立于2003年的南通辉煌彩色钢板有限公司和江苏刚正薄板科技有限公司，座落于江苏省如东开发区私营工业园和陈高工业园，占地面积40万m²，建筑面积18万m²，总资产11亿元，年销售40多亿元。

“刚正”牌中国驰名商标单位是一个已具备多品种产业链的高新技术企业。多年来，企业装备投入了具有国际先进水平的4条彩钢生产线，3条热镀锌和热镀锌硅板生产线，4条6辊和20辊冷轧生产线以及2条千吨级船坞码头和其他相关配套设施。在产品定位上，企业注重品质和品牌，生产的各种高档氟碳、硅改、抗静电、耐高温、印花装饰板、热镀锌、热镀锌硅板、5.0mm厚板镀锌、冷轧板、铜复合板等产品在国内市场深受客户青睐，并已销往50多个国家。在发展成果上，企业荣获国家级荣誉4项、专利16项、以及江苏省质量信用AAA级企业、江苏省依法治企先进企业，南通市工商前10强企业，市长质量奖企业，如东县“五星级”企业等。

公司坚持以：人才发展、队伍建设、产品创新、品牌打造、营销转型、两化融合、国际合作、技术研发为企业战略，以企业的核心价值观：诚信、创新、专业、进取为发展方向，坚持以人为本，打造卓越绩效管理，严格贯彻 ISO9001、ISO14001 体系标准 努力实现客户价值 推动了企业的快速发展。

Be Founded in 2003, Nantong Glory colour steel Plate Co., Ltd and Jiangsu Gangzheng Steel sheet Science and Technology Co., Ltd are located in Economic Development Zone and Chen Gao Industrial Park, Rudong County, Jiangsu Province, cover an area of 400,000 square meters. Construction area of 180,000 square meters, the total assets of 11 billion yuan, with annual sales of over 40 billion.

As the unit recognized as the China's well-known trademark, "Gangzheng" is a new high-tech enterprise that has possessed the industrial chains for a few categories of products. Over the past few years, we have invested in four color steel production lines, three hot dip galvanizing and hot dip Al-Zn silicon sheet production lines, four 6-roll and 20-roll cold rolling production lines and two 1,000-ton docks, all of which are internationally advanced, and other supporting facilities. For products orientation, we attach importance to quality and brand, and the high-end fluorocarbon, silicone modified, antistatic, high temperature resistant, printed decorative boards, hot dip galvanized sheet and hot dip Al-Zn silicon sheet, 5.0mm-thick galvanized sheet, cold rolled plate, and copper clad plates we produce are popular with customers in domestic markets and have been sold in more than 50 countries. For outstanding development and achievements, the enterprise has been granted four national honors and 16 patents, and been recognized as "Grade AAA Enterprise in Jiangsu for Excellent Quality and Credit", "Top Enterprise in Managing Enterprises According to Law in Jiangsu", "Top Ten Enterprises in Nantong for Outstanding Industrial and Commercial Performance", "Enterprise Winning Mayor Quality Award", and "Five-Star Enterprise in Rudong County".

Our company implements the strategy for training talents, building a competent team, innovating products, developing famous brands, transforming marketing modes, integrating industrialization and informationization, seeking international cooperation and making technological research and development. And under the guidance of our company's core values——keeping good faith, making innovation, becoming professional and aggressive——and the people-oriented idea, we pursue outstanding performance and management, implement the systems and standards like ISO9001 and ISO14001 and work hard to create values for clients, to achieve the rapid development of our company.

发展历程

The Development History

天时地利人和 Good location

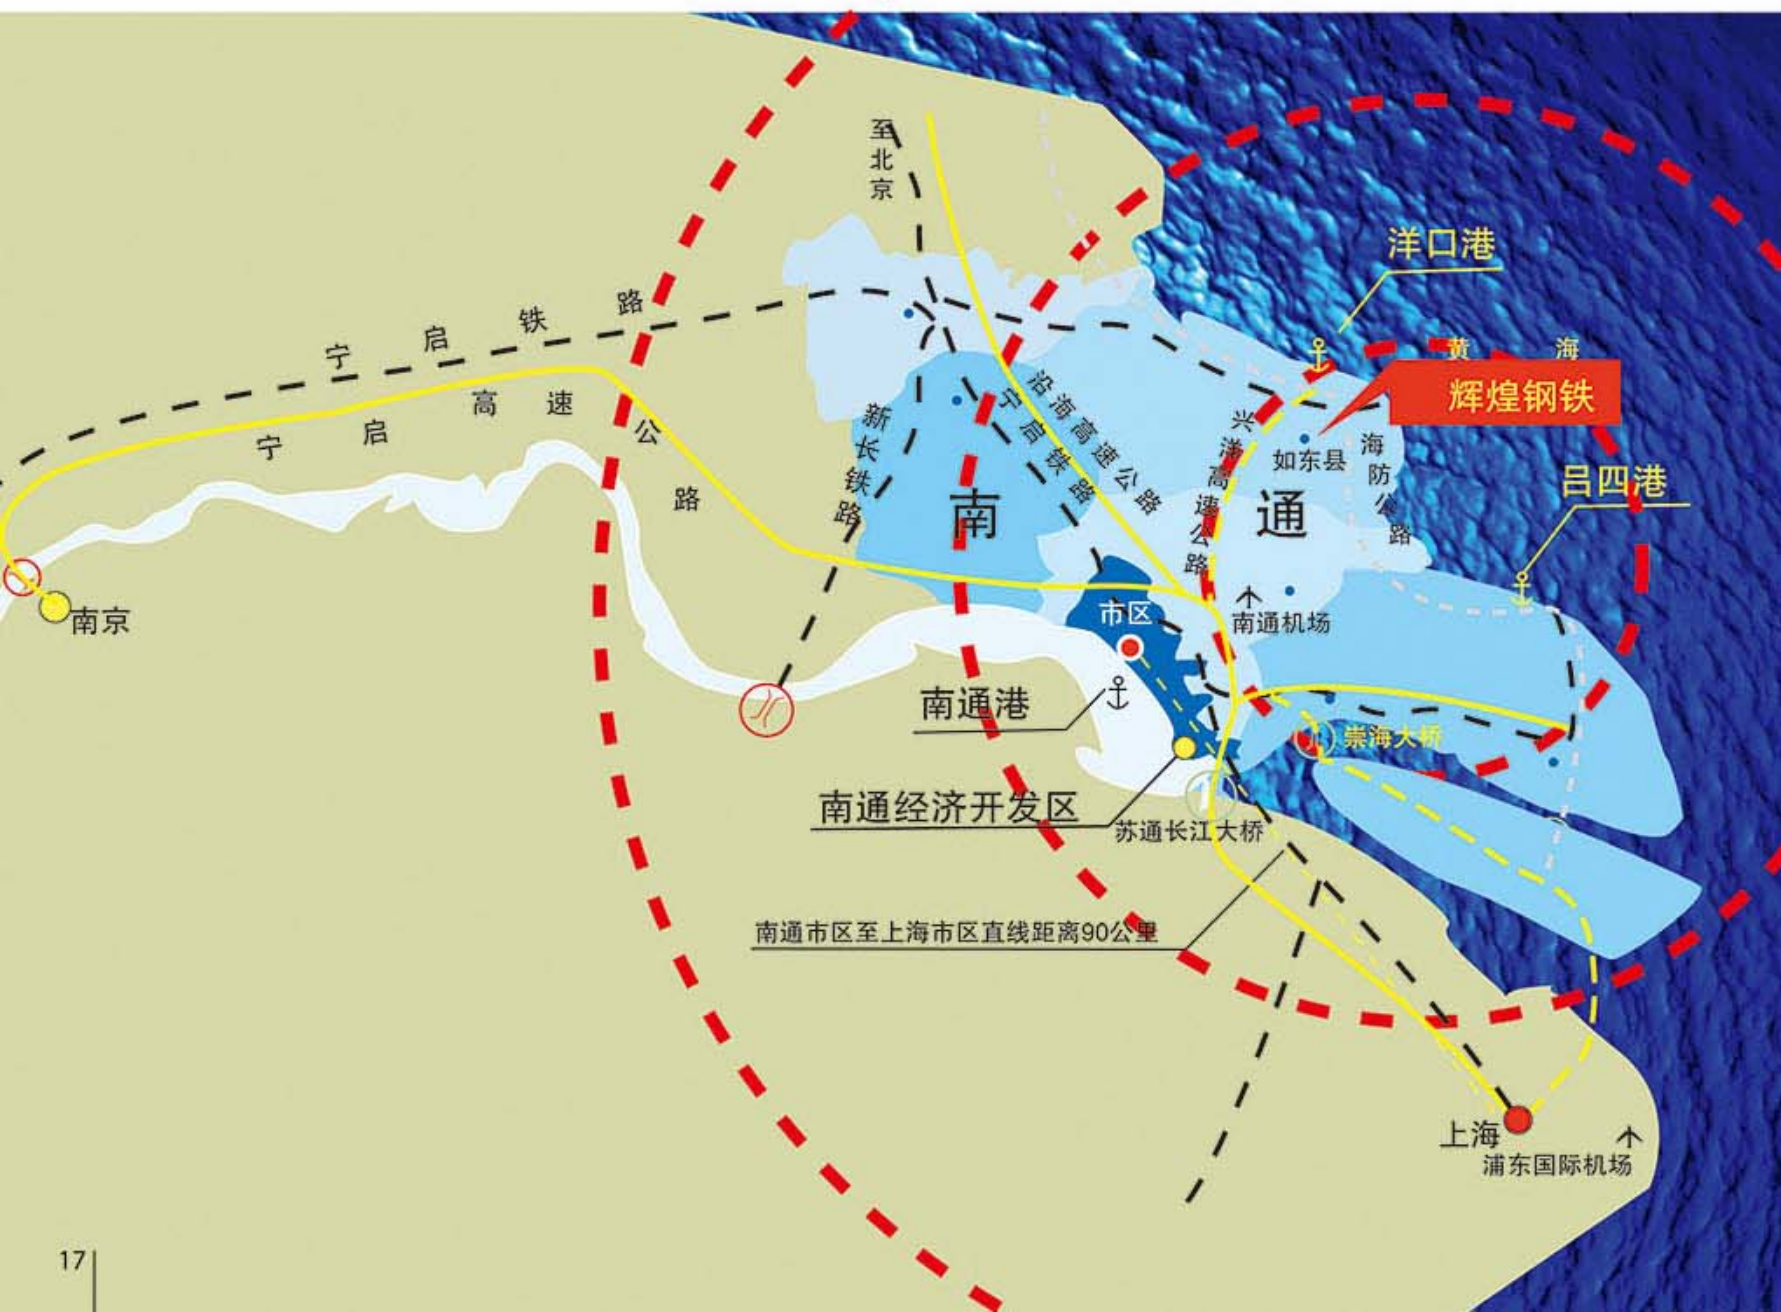

辉煌事业 刚正人生

改革开放实现了中国梦，与时俱进成就了辉煌企业。企业紧邻上海港、北出洋口港，得天独厚的地理优势给企业产品出口奠定了先机。地方政府的优惠政策和良好的服务环境给企业营造了发展的空间。高效的团队、创新的思维，为企业不断提升夯实了基础。蓬勃发展的周边环境，给企业源源不断的输送了大量的人才和技术，企业的发展也因此而插上了腾飞的翅膀。

Reform and openness make Chinese dream come true. Meanwhile, keep pace with the times make our brilliant enterprise achievement. Our enterprise is in the north of yangkou port which close to shanghai. These unique geographical advantages create a opportunity for our export. The preferential policies of local government and the perfect service environment gives us a development space. A effective team and innovative thinking lay the foundation for enterprises to improve. Due to the above advantages, our enterprises will be even better in the future.

天时地利人和

地理优势

公司北临全国第二大深水港—洋口港（距离5公里）；南靠沿长江的太仓港、常熟港、张家港（半径距离50公里左右）。近临的苏通大桥飞架南北，将南通融入上海1小时经济圈；擦肩而过的新长铁路、204国道以及厂区内自建的千吨级装卸码头，将大大降低材料的运输成本，得天独厚的地理位置给辉煌企业带来了无限的商机和广阔的发展前景。

Geographical advantage:

Our company is bordered by the second deep water harbor in China — Yangkou Harbor (within 5 km) to the north and Taicang Harbor, Changshu Harbor, Zhangjiagang Harbor along the Yangtze River to the south (within 50 km). Because of the connection of Sutong Bridge, it takes only 1 hours driving from Nantong to Shanghai. Meanwhile, the bridge makes Nantong integrated into the economic circle of the Shanghai. With the accomplishment of Xinchang railway, No.204 national highway and the dock with thousand tonnages inside the company, it is more effective to lower the transportation cost. The splendid geographical position brings our company many business opportunities and vast potential for future development.

辉煌企业创立伊始，即树立了“高起点投入，高标准要求”的理念；

在生产资源配置上向行业内世界先进看齐，率先引进了世界先进的自动化生产设备，不断优化人才结构；
在企业管理上应用最科学的富有弹性的ERP管理软件系统，实现了生产办公的一体化，无缝隙的实时反应。

科技是企业的核心竞争力，
为了谋求辉煌企业的可持续发展及核心竞争力的不断提升，企业将不遗余力地继续加大技术创新方面的投入。

At the beginning of the establishment of Glory enterprise, we have set up a conception of "great investment, high requirement".
Concerning the resources collocation, we keep pace with the advanced level in the world in steel industry, take the lead in introducing advanced automated equipment and continue to perfect the human resources structure.
In the enterprise management, the most scientific flexible management of ERP software system is applied, realizing the integration of the production and office, seamless real-time response.

Science and technology are the core competitiveness of enterprises, to enhance the sustainable development of Glory enterprises and the enterprise's core competitiveness, our company will spare no effort to continue to increase input in technological innovation.

“刚正”牌冷轧板

“刚正”牌冷轧板是以优质热轧卷为原料，经酸洗切边去除氧化铁皮，通过可逆轧制而成。本公司拥有二十辊单机可逆式冷轧机组一座，年生产能力达20万吨。产品表面质量好，精度高，具有良好的机械加工性能，是深加工行业所急需的、国内外市场紧俏的、附加值极高的原材料，广泛应用于镀锌、彩涂、建筑、汽车、交通、食品及家电等行业。

“Gangzheng” cold rolled steel sheet uses high quality hot rolled steel sheet as its raw material. It is produced by acid pickling, edge cutting and reversing cold rolling.

Our company owns one 20-roll reversing cold rolling mill. The annually producing capability can reach to 200 thousand tons. Our products are of good quality, high accuracy and excellent mechanically processing property, so it is badly in need of further - processing industry and excessive market demanding at home and aboard. The application scope covers galvanized steel sheet, pre-painted steel sheet, architecture, automobile, transportation, food and household appliance, etc.

执行标准：YB/T50509-2005
供货规格：厚度：0.12mm~2.0 mm
 宽度：1000mm~1300 mm
主要技术指标：内径：Φ610 mm
 外径：最大Φ1900 mm
 卷重：最大25吨

Executive standard: YB/T50509-2005
The specification: Thickness: 0.12mm~2.0 mm
 Width: 1000mm~1300 mm
Main technical specification:
 Internal diameter: Φ610 mm
 Diameter: max Φ1900 mm
 Coil weight: max 25 tons

“刚正”牌镀锌板

“刚正”牌镀锌板是以冷轧钢带为基板，采用美钢联热镀锌工艺，经过电解脱脂，进入连续式退火炉中进行退火，然后浸入熔融的锌锅中热镀锌，再表面光整、水平拉矫、钝化后卷取而成。

本公司使用北京自动化提供的设备和高新技术，产品技术含量高，所产热镀锌薄板锌层均匀，锌层状态为无锌花、小锌花和大锌花，表面光整，耐腐蚀性强，广泛用于建筑、装潢、家电、交通等领域。

“Gangzheng” galvanized steel sheet uses cold rolled steel sheet as its base material and applies the UEC hot dip galvanizing process. Through cathodic cleaning and annealing in the continual annealing furnaces, then immerse the base material into the melting zinc pot for hot dip galvanizing, finally, we get it after surface finishing, horizontal draw-straightening and chromating passivating. Our company adopts the equipment and high tech which are supplied by Beijing Automation, so we can guarantee the uniformity of the coating and control the zinc coating situation varied from zero spangle to big spangle. Because of its smooth surface and excellent corrosion resistance, our products can be applied in the field of building, decorating, household appliances and transportation.

Internal diameter of coil: Φ508mm Coil weight: max 25 tons Tensile Strength: 270~420N/mm

Zinc coating: 60~275g/m² Enginery rapidity: 120m/s

“刚正”牌热镀铝锌硅板

“刚正”牌热镀铝锌硅板是以冷轧钢带为基板，采用美钢联热镀铝锌硅工艺，经过电解脱脂，进入连续式退火炉中进行退火，然后浸入铝锌硅熔锅，经气刀控制镀层，再表面光整、水平拉矫、钝化和耐指纹处理后卷取而成。

本公司使用国际领先技术和先进设备，通过科学配方，精湛的技术流程，全自动控制，实现了产品高耐腐蚀和耐指纹的特性。广泛用于建筑、装潢、家电等领域。

“Gangzheng” hot dipped aluminum zinc silicon steel sheet uses cold rolled steel sheet as its base material and applies the UEC hot dipped aluminum zinc silicon process. Through cathodic cleaning and annealing in the continual annealing furnaces, then immerse the base material into the melting aluminum zinc silicon pot, finally, we get it after controlling the zinc coat by air knife, surface finishing, horizontal draw-straightening, chromating passivating and Fingerprint resistant treatment.

Our company make the produces owning the characteristics of the high resistance to corrosion and fingerprint by using international leading technology, advanced equipment, Scientific formula, Exquisite technical process, full automatic control.

“刚正”牌彩涂板

“刚正”牌彩色涂层钢板是以优质热浸镀锌钢板为基材，采用先进设备和高新技术，将基材经脱脂、清洗、钝化处理后，涂覆以高分子有机树脂漆膜，经“双涂双烘”固化而形成的高级深加工产品。

“刚正”牌彩色涂层钢板既有钢板的机械强度和成型性；又有有机材料良好的装饰性、柔韧性、成型性和抗腐蚀性，可长期保持产品色彩亮丽，成为当今建筑、轻工、汽车、家电等行业理想的复合材料。

“Gangzheng” pre-painted steel sheet uses hot dipped galvanized steel sheet as its base material. It is produced by advanced equipment and high-tech. After being degreased, cleaned and chromated, the base material will be coated with organic macromolecule resin paint and go through “two coating and two toasting” to solidifying, eventually formed the advanced further processing products.

“Gangzheng” pre-painted steel sheet not only has the mechanical strength and formability of sheet, but also has the good decorativeness, flexibility, formability, corrosion resistance of organic material. It can keep the product bright color for a long time, so nowadays our pre-painted steel sheet has turned to be an ideal composite material in fields of architecture, light industry, automobile, household appliances etc.

执行标准：Q/320623ACQ 01-2016

供货规格：厚度：0.15mm~1.20mm

宽度：800mm~1250mm

颜色：海蓝、白灰、绯红、豆绿、象牙色
